Message CV of Junji Xing 2015-11.docx (73 KB) Junji Xing Biography.docx (12 KB)

Dear Editors,

I am interested in joining the editorial board in your Journal of Antivirals & Antiretrovirals. Attached is my latest CV and biography. My research interests are virus and innate immunity, virus-host interactions, vaccine and antiviral treatment. Please let me know if you are interested in my application. Many thanks and have a wonderful one.

Best

Junji Xing
