

Awards Category in European Dental Congress 2020

Juan Rommel Medina Valdivia

Best Keynote Speaker in European Dental 2020

This award recognizes speakers who have the ability to engage a diverse variety of audiences, captivate them with their style, delivery and humour and deliver a message that conveys their expertise. Being a keynote speaker means you need to be able to sound the 'keynote'. This means to deliver a message that attracting an audience at an emotional level, but which is built around the broader theme of the event and the client's objectives of content and engagement.

Best Organizing Committee Member in European Dental 2020

European Dental Congress will honour the individual who has demonstrated exemplary support and guidance throughout the conference. Outstanding Organizing Committee Member will be given to the one who makes the most compelling contribution to the conference. The organizing committee is made up of the founders and originators and several key collaborators.

Forthcoming Researcher Award

The Forthcoming Researcher Award will be given to the most exceptional presentation presented by a participant who has registered under the student category. Undergraduates, Master students, and Ph.D. students will be considered under this category. This award honour individuals in the early stages of their careers who have already made great research, teaching, and/or service contributions to the field.

Outstanding Speaker in European Dental 2020

All attendees are able to cast their vote for the best oral presentation. All presentations (except for invited plenary presentations) are eligible to receive a vote. The winner of the Outstanding Speaker Award will receive a certificate, and their name will be announced to all conference attendees after the conclusion of the conference. Selection of the outstanding Speaker Award is an ongoing tradition of the Allied Academies conference series. All attendees are asked to cast their vote for the best oral presentation. The winner of the Outstanding Speaker Award receives a certificate and their names are announced to all conference attendees after the completion of the conference.

Best Poster Award European Dental 2020

There will be a poster session at the [European Dental 2020](#) and this award is dedicated to the poster presenters in the conference. The outstanding poster presentation will be selected among all the researchers in the session. Receiver of the award are considered to be the Best Poster Presenter of the conference. The awards given for our Dental Care

conferences recognise the wide range of responsibilities and dedication of Dental Care and various dentistry professionals who promote the highest standards of care across the whole health service. This event makes a huge contribution to maintaining and protecting the health and well-being of people across the globe.

Outstanding Student abstract Award

The Organizing Committee will select the winner of this award based on a review of extended abstracts. The Outstanding Student Abstract Award is awarded to for innovative observations and insightful completion that exemplify the tremendous quality of student research reported at the conference and contribute significantly to the body of knowledge regarding the dentistry and benefits of dental health. The winner will receive a certificate and will have their name added to the plaque recognizing previous recipients.

Young Researcher forum Award

The aim of the Young Researcher forum Award is to facilitate the integration of phenomenal graduate students and young researchers into the Dental Care community of dental medicine of dentistry scholars. The award will be handout to a scholarly paper, authored by a young researcher, which is deemed by a panel of judges to be of highest quality. The winning author will be invited to receive the award and present the paper at the next Conference. The winning paper may be considered for publication in the respective Journals.

Industry Partner of the Year Award

Industrial Partner Awards (IPA) encourage and support collaboration between academic research groups and industry. Industry Partner of the year are scholars, respondent mode grants that have meaningful industrial involvement and industry partner(s) contributes in cash at least equivalent to 15% of the full project costs. Additionally, in-kind offering from industry are welcome but do not count against the industry contribution. It is our way of recognizing and thanking our industry partners who have supported the speaking profession in a remarkable or particular way.

Best Video Presentation Award

The authors of each accepted abstract will be asked to submit a short 10-minutes video to introduce the research presented in their paper to all attendees. These videos will be placed on the conference website up to two weeks before the conference and will be played at time of the conference. The most outstanding and impressive video will receive the Best Video
