Editorial Note

I am pleased to introduce Annals and Essences of Dentistry Journal (AEDJ) which is an open access journal aiming to provide an online compendium for anatomical variations in gross, radiological, neuroanatomical, surgical anatomy, and case reports in clinical anatomy. We have been started in year 2009 **Annals and Essences of Dentistry Journal (AEDJ)** (ISSN: 0975-8798) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 12 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of [HINARI](#), [CROSSREF](#) and [Index Copernicus](#), [SHERPA RoMEO](#), [EBSCO](#),

As a Scientific Open Access journal, the journal encourages original research, which is not published or under consideration elsewhere for publication. On completion of its successful 10 years journey in medical publishing field, [AEDJ](#) is offering discount on article processing charges, to promote research across the globe and to encourage faster advancement of research at relatively low expenses. AEDJ is an established Journal in the field of oral disorders and medicine, oral radiology, oral and maxillofacial surgery, orthodontics, oral implants, oral epidemiology, pediatric dentistry, dental materials, endodontics, periodontology, prosthodontics, community and public health dentistry and other connected topics. The Journal classifications are as follows: Orthodontics, oral implants, oral

epidemiology, pediatric dentistry, dental materials, endodontics, periodontology, prosthodontics, community and public health dentistry. During 2019 around 16 articles were subjected for publication after they are accepted in the peer review process. In the 4 issues of Volume 12 published during the year 2019, a total of 16 articles were published (at an average of 3 articles per issue of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 16 articles published in volume 12. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2019, a total of three Editors, ten Reviewers joined the board of [AEDJ](#) and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will be beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of [AEDJ](#) in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of [AEDJ](#), the office bearers for their support in bringing out the new volume (Volume 6) of [AEDJ](#) for the calendar year 2020 and look forward to their unrelenting support further to release more issues for **Annals and Essences of Dentistry Journal (AEDJ)** in scheduled time.
