

4th International Conference on Palliative Care and Gerontology

Sorin Buga

On behalf of our Pulsus, we glad to be inviting the conference “4th International Conference on Palliative Care and Gerontology” held on April 26-27, 2021 at Dubai, UAE. Palliative Care 2021 greets the people across the world and offering the opportunity to go share your ideas with the experts from the parts of the members at the conference. The subject of our conference is “Evolving Palliative Care Work on Refining Wellness in COVID-19”.

Palliative Care 2021 is an annual meeting of palliative care and gerontology organizations as well as committees to discuss the future of palliative medicines in relation to collaboration, structures and advance development in the area of research. The two-day event will entail you with Keynote Sessions, Workshop/Symposiums, Oral/Poster Presentations and many more.

Conference Highlights:

Palliative Care 2021 is appropriating at any age and at any stage in a serious illness and can be provided together with curative treatment. The goal of palliative care is to progress the quality of life for both the patient and the family. Palliative Care plays an important role in cancer detection helps patients higher understand their prognosis and goals of treatment, clarify their expectations, and maintain the quality of their life.

The treatment of the disease is stopped afterward hospice care will begin and when it is clear that the person is not going to survive the illness. Focusing on Health care of elderly people called gerontologists, they are needed hospice palliative care or palliative nursing at home.

Palliative Care involves in many fields of medical care like Mental Health, Geriatric, Neonatal, Oncology, etc. It’s a better way to you and your family, cope with the everyday challenges of living with a serious illness. Palliative Care team will include a doctor, a nurse and a social worker.
