**Effectiveness of homoeopathic medicine Conium maculatum 200 c for management of pyuria****Amir Ashraf**

Ashirvad Hospital, India

**Introduction:** Homoeopathy is an alternative system of medicine discovered by German physician Samuel Hahnemann in 1796. It has been used by several people for various health conditions globally for more than last 200 years. In India, homoeopathy is considered as a major system of alternative medicine. Homoeopathy is found effective in various medical conditions including Pyuria. Pyuria is condition in which pus cells are found in urine. Homoeopathy is very useful for reducing pus cells, and homeopathically potentized Conium Mac (Hemlock) is an important remedy commonly used for reducing pyuria.

**Aim:** To reduce the amount pus cells found in urine using Conium Mac 200C.

**Methods:** Design: Small N Design. Samples: Purposive Sampling with 5 cases diagnosed as pyuria. Tools: Personal Data Schedule and ICD-10 Criteria for Pyuria. Techniques: Potentized homoeopathic medicine, Conium Mac 200<sup>th</sup> potency is used. Statistical Analysis: The statistical analyses were done using non-parametric tests.

**Results:** There is significant pre/post difference has been identified.

**Conclusion:** Homoeopathic potency, Conium Mac 200 C is effective in reducing the increased level of pus cells found in urine samples.
