

## Green world nutrition care package

**Noxolo Mbali Mdliva**  
South Africa

You become a member by joining with R190, you get a membership CARD and STARTER KIT....in the Starter Kit you will receive all the information you may need about Greenworld. All our products are explained in detail in the Starter Kit. •Our Compensation plan is also explained in that Starter kit. Being a Member gives you a rank called 1 star Consultant(1\*C) and 20% DISCOUNT in all our products that you buy from Green World. Meaning you will resell the products and make 20% PROFIT. you need to purchase products worth R3750 either accumulative or once off. Then you become a 3star consultant(3\*C) and this qualifies you to earn 20% commission in Greenworld.This you earn from your personal sales. In this business WE RISE BY LIFTING OTHERS....therefore make it your duty to work with your business partners to be 5\*s like you, then you will be a 6\*C. At this stage your commission is 35%. You earn btwn R5000-R10 000 ,your team can even perform better than this ,making you earn more and more.lts all about how much sales you make with your team. If you become a 6\* within the first 6 months of joining you will qualify for a 7 days all expenses paid trip to China. Everything paid by the Company from Visa Application, Flights and Accommodation in China. You also get to stop and shop in Dubai. GreenWorld wants you to meet its founder Dr Deming Li and see the farming and production bases. You will spend 7 days touring around China and visiting places of interest there including one of the world wonders The Great Wall Of China... Your life would have been transformed. When your business partners become 7\*s like you then you are promoted to 8\* ....This is now the beginning of financial freedom where your commission is now 45% and your potential earnings are nothing less than R40k. You also stand a chance to start qualifying for different.

## Biography

Noxolo is the true epitome of a fighter. A disciplined and innovative young person who is always seeking solutions and wanting to improve herself and grow whilst making a difference in the lives of others. In spite of the trauma, painful experiences and heartbreaking circumstances that she was raised in, she has a die hard spirit that inspires many and is a true hustler and testament of God's love and that you can't put a good woman down.
