

35th International Conference on Neuroscience and Neurochemistry

Felix Martin Werner

Conferences Series LLC International Summit on 19th Global Neuroscience and Neurology Conference Annual Meeting to Promote Research Worldwide

Conferences Series LLC has successfully concluded its [19th Global Neuroscience and Neurology Conference](#) from November 07-08, 2019 Frankfurt, Germany. More than 80 Neurologists and Directors, Stroke Specialists, Physicians, Neuroscientists, Specialists, Researchers, Professors and Students from around the world under a single roof, where they discuss the research, achievements and advancements in the field of Geriatrics, Gerontology and Palliative Care. The 2 days conference held on November 07-08 through the leading Neurologists, scientists, researchers and scholars to share their experiences and research results about all aspects of [Neuroscience and Neurology](#).

The conference's first day, featured panels on Neurology, Neurons, Neurological disorders. Central Nervous System, Spine and Spinal Disorders, Neuro-Degenerative Disorders, Pediatric Neurology, Neuro Epigenetics, Neuro Oncology, Clinical Neurology, Dementia, Parkinson's Disease, Spinal Bulber Muscular Atrophy (SBMA), Neuronal Development and Regeneration, Molecular and Cellular Neurobiology, Neurogenomics, Neuropsychiatry and Behavioral Science, Diagnosis and Imaging Techniques, Neuro-chemistry, Nursing and Neuroscience

Forthcoming Conferences on 35th International Conference on Neuroscience and Neurochemistry Annual Meeting during September 21-22, 2020 at Berlin, Germany

Conferences Series LLC take great pleasure in inviting the scientific community across the globe to the 35th International Conference on [Neuroscience and Neurochemistry](#) Annual Meeting during September 21-22, 2020 at Berlin, Germany. Berlin is the capital and the major city of Germany, as well as one of its 16 constituent states. With a progressively growing population of approximately 3.7 million, within the terms of population, Berlin is that the Second most populated town within the global organization and therefore the seventh most occupied geographical area within the global organization. Berlin is considered as one of the best venue for conducting conferences due its favourite tourist destinations. This meeting will explore advances in the [Neuroscience and](#)

[Neurochemistry](#).

The upcoming [Neuroscience and Neurochemistry](#) 2020 focus on Neuroscience and Neurology. This conference will also present the advanced research on Neurological disorders are diseases of the central and peripheral nervous system, spinal cord, cranial nerves, peripheral nerves, Parkinson's disease, neuroinfections, encephalon tumours, traumatic disorders of the nervous system due to head trauma, and neurological disorders as a result of malnutrition.

The participants can exchange and share their research results covering the scientific aspect of Neurology, Neurons, Neurological disorders Central Nervous System, Spine and Spinal Disorders, Neuro-Degenerative Disorders, Neuro Epigenetics, Neuro Oncology, Clinical Neurology, Dementia, Parkinson's Disease, Spinal Bulber Muscular Atrophy (SBMA), Neuronal Development and Regeneration, Molecular and Cellular Neurobiology, Neurogenomics, Neuropsychiatry and Behavioral Science, Diagnosis and Imaging Techniques, Neuro-chemistry, Nursing and Neuroscience

Conference will encourage [Young Researcher's Forum](#), scientists and the researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea. The '[Best Poster Award](#)' is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase.

The Sponsor in the [Neuroscience and Neurochemistry 2020](#) can reach and get exposure to new clients, customer, business, brand awareness and media exposure. The sponsorship has different levels Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Additional Sponsorship Packages and Advertisements. The 35th International Conference on Neuroscience and Neurochemistry Annual Meeting will consist of organizing committee network of renowned scientific and professional expert such as Maite Ferrin Recognition, University of Southampton United Kingdom, Sabah Al-Rashed, Prince Sultan Military Medical City, Saudi Arabia, Mehdi Fathi, Mashhad University, Mashhad, ISSCH Iran, Reza Nejat, SBMU Bazarganan Hospital Iran.
