Editorial Note

I am pleased to introduce Journal of Acute and Chronic Disease Reports (JACDR) (<https://www.longdom.org/acute-chronic-disease-reports.html>) a rapid peer reviewed Journal which have a key concerns over the Applications of Chronic diseases by exploring the Asthma, liver failure, subdural hematoma, renal failure respiratory failure, and bronchitis of chronic diseases in day-to-day situations and also I am pleased to announce that, all issues of volume 3 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based Acute Diseases and Chronically assessment of research and probably it is much in deed for students, teachers and professors.

During the year 2019, Journal of Acute and Chronic Disease Reports received a total of 31 papers, out of which 8 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 12 articles were subjected for publication after they are accepted in the peer review process.

In the 2 issues of Volume 3 published during the year 2019, a total of 12 articles were published (at an average of 3 articles per issue) of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 12

articles published in volume 3. Average publication period of an article was further reduced to 14-21 days.

Journal of Acute and Chronic Disease Reports during this year also brought out 16th World Congress on Infection Prevention and 10th International Conference on Tropical Medicine and Infectious diseases conference proceedings, which consisted of 50 abstracts.

Journal of Acute and Chronic Disease Reports also announces its new association with Longdom Publishers for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website (<https://www.longdom.org/acute-chronic-disease-reports.html>) parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

During the year 2019, a total of three Editors, five Reviewers joined the board of JACDR contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal JACDR

I would like to take the opportunity to express my gratitude to all the editorial board members, authors, reviewers, the publisher, and the advisory of JACDR, the office bearers for their support in bringing out yet another volume of JACDR and look forward to their unrelenting support to bring out the Volume 4 calendar year 2020 and look forward to their unrelenting support further to release more issues for International Journal of Acute and Chronic Diseases Reports of JACDR in scheduled time.
