

Annual Congress on Herbal Medicine & Traditional Medicine

Ersin Pamuksuzer

Professional Level (The Research contribution Award):

The Award for professional or [academic research activity](#) acquired in Herbal medicine 2020 research field in the public or private sector for **experts having research knowledge at 10+ years** in the field of Herbal medicine 2020 with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

Session's Best Award:

Based on the marks given by the evaluation committee including session chair and two evaluation panel members for an every presentation of an each session, Session Chair decides which presentation will receive the Session's Best Presentation Awards.

Keynote Speaker Memento:

Any research work which is unique and their excellence in completion of the work will make the path to this memento for the selected participants. This award is recognizes for best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Clinical Surgery 2020. If you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online

Young Research Award;

Pulsus publicizes an outline of Awards for Young Scientists in order to help excellence in various fields of science and technology. These Awards are known as "Young Scientist Awards". The award is open to those researchers involved in graduate education and research happenings that accentuate bearable progress. To avail, this award any scientist, engaged in research work laboratories/institutes, who is not more than 35 years of age, is eligible for the Award and each Scientist must submit their unique research works.

Herbal medicine 2020 Committee is planned to respect lofty honor for skilled Young specialists, researchers, [Young Investigators](#), Post-Graduate understudies, Post-doctoral

colleagues, Trainees, Junior workforce in acknowledgment of their exceptional commitment towards the meeting topic. The Young Scientist Awards bend over backward in giving a solid expert advancement open door for early profession academicians by meeting specialists to trade and share their encounters on all parts of Clinical Surgery.

Best Poster Award:

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. Conference aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. You can nominate someone deserving of the award through online. A poster is a method of presenting your research to an audience in a visual format. Pulsus Conferences offers the unique opportunity to showcase your research in the poster format. The Best Poster of the Conference will be selected based on some criteria. The important parameters are:

- Presentation Style
- Research Quality
- Layout/Design
- Presentation clarity
- Completeness of work

Herbal medicine 2020 Conference involves numerous Poster presentation and the speakers assigned as notice judges will name one blurb moderator for the Best Poster Presentation Award. Meeting Series focuses on to give a stage to all the promising researchers and growing scientists to introduce their exploration work, sees and various parts of the subject Investigating, dynamic and novel procedures in antibodies and inoculation. Meriting chosen people can be granted online too.

Student Ambassador Award:

During organizing the conference any student can be a Student Ambassador of the conference based on the quality of their research work and their educational qualification. He/she will be assisting in organizing the conference with promoting the websites and they will be honoured at the time of the conference with this award.
