

Awards 2020 5th Euro Nursing & Healthcare Congress May 04-05, 2020 | Prague, Czech Republic

Dr. Piotr

Awards

The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthralment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations

1. [Best Poster Award](#)
2. [Young Scientist Researcher \(YRF\)](#)

Best Poster Award:

A Poster is a method of presenting your research to an audience in a visual format. [Pulsus Conferences](#) offers the unique opportunity to showcase your research in the poster format.

Student Poster Competition is composed at Conference, to empower students and late graduates to show their unique research. The Best Poster Award also has been established to recognize the scientific merit exhibited in poster presentation and preparation. You can nominate someone deserving of the award through online

Poster presentation Benefits:

- Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation
- Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference
- The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF
- Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

The selection of the winner will be based on:

- Posters will be evaluated based on the following three parameters; those are Presentation Style (5), Research Quality (5) and Layout/Design (5).
- Presentation clarity of poster and oral explanation.
- Poster Judges overall responses to the questions and the completeness of work

Young Scientist Researcher (YRF)

PULSUS publicizes an outline of Awards for Young Scientists in order to help excellence in various fields of science and technology. These Awards are known as "Young Scientist Awards". The award is open to those researchers involved in graduate education and research happenings that accentuate bearable progress.

Benefits for Young Scientist Forum:

- Advancing perfection and perceiving remarkable commitments made by the youthful researchers for their work done essentially during the span of study.
- Find out about career advancement and the most recent research devices and technologies in your field.
- Graduates are motivated by the chance to choose neighbourhood or worldwide subjects of pertinence/enthusiasm to them and build up their own logical examinations and models drawing in locally or universally.
- Chance to be a student envoy.
- Chances to coordinate with partners around the world
- Discounts at the [PULSUS conferences](#), at different worldwide venues in future.
- Chance to distribute full length papers in renowned supporting international journals of respective conference
- Best Young Scientist Award introduction will be named by the board and if they wish to publish the full-length paper, they can publish in supporting worldwide journals of the respective conference at free of preparing charges.
