

## Young Research Forum Award @Euro Catalysis 2020

Jacob Moulijn

[Longdom Conferences](#) proudly announcing [Young Researchers Awards](#) with an aim to recognize outstanding achievement and contribution of professionals and researchers in the area of medical, life sciences, physical sciences, health care, and engineering.

Young Researchers Presentation is a key session at [Frontiers in Catalysis and Chemical Engineering](#) which is scheduled during March 23-24, 2020 at Amsterdam, Netherlands. [Euro Catalysis 2020](#) focused on the theme “Expanding new horizons in advances of Catalysis and Chemical Engineering”.

Euro Catalysis conference committee will be providing a platform for all talented young researchers, investigators, Post-graduate/Master students, Ph.D. scholars to showcase their current research and innovation.

Major scientific sessions of the Euro Catalysis conference are Homogeneous Catalysis, Auto Catalysis, Tandem Catalysis, Zeolites, Advances in Catalysis and this [international conference](#) will be attracting leading researches and decision-makers in their field, principal investigators, and business professionals for sharing knowledge and research globally.

**Eligibility:** Postgraduates/masters student, junior scientist, young faculty member, Ph.D. scholar, and Postdoc researchers

**Privileges:** The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

- Acknowledgment as YRF Awardee
- Recognition by providing certificates and memento
- Recognition through website promotion and award page

- Networking opportunity to coordinate with partners around the world
- Publish that particular research paper for free

### Criteria:

- All accepted abstracts will automatically be considered for the Award.
- All the presentation will be evaluated at the conference venue
- All the awards will be selected by the judges of the award category
- The awards will be assessed as far as to plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message, and primary concerns, parity of content visuals, and by and large impression

### Guidelines:

- All submissions must be in English
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit a maximum of 2 abstracts
- The abstract must be submitted online as per the given abstract template
- Abstracts must be written in Times New Roman and font size will be 12
- The abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

### Conditions of Acceptance:

To receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and permission within the designated timeframe will result in the forfeiture of the award.

### Award Announcements:

The official announcement of the recipients will occur after the completion of the conference
