

## Awards: New Trends in Surgery and Anesthesia, October 17-18, 2020 | Vancouver, Canada

Olivia John

[Longdom Conferences](#) have always been at the forefront to support and encourage the scientific and techno researchers to march forward with their research work. Surgery 2020 conference offers various awards as reorganization to exceptional researcher and their research work. We invite all enthusiastic researchers from all around the world to join us for the [New Trends in Surgery and Anesthesia](#) scheduled in October 19-20, 2020 at Vancouver, Canada.

**Outstanding Speaker Surgery 2020:** [Surgery 2020](#) will vouchsafe model speaker award to those researchers who have made a ponderable contribution towards the conference topic during their research period as well as presented the research topic in an impressive way in the oral presentation during the summit. It will be an apt appreciation from the Jury as well as from the delegates.

**Best Key Note Speaker Surgery 2020:** [Surgery 2020](#) will render the Model Key Note Speaker Award to the researchers who have spent a considerable time of their academic life towards the research related to the conference topic. Keynote speaker award is for the researchers/speakers who have done all the diligence work behind the scene. It will be a small clap for their dedication and hard work. This awardee will be felicitated by one of the members of the organizing panel present during the conference.

**Best Organizing Committee Member Surgery 2020:** [Surgery 2020](#) will take this opportunity to facilitate eminent experts from this field with the Best Organizing Committee Member award for their

phenomenal contribution towards the society through their academic research. This will be a trivial but significant reorganization of their dedication and discipline.

The award will be given based on the support and cooperation provided by a member of the organizing panel from the beginning to the successful completion of the conference.

**Outstanding Masters/Ph.D./Postdoc Thesis work presentation Surgery 2020:** The motive of this Award during [Surgery 2020](#) is to appreciate the research work of the budding young researcher who is continuing their research work to create a better society. The award will provide them a phenomenal amount of encouragement to keep moving forward. Participants pursuing Masters, Ph.D. or Post-Doctoral studies are eligible for this award. The awardee will be felicitated after the completion of all the oral presentations delivered under the Young Researchers Forum category.

**Best Poster Award Surgery 2020:** The educative poster award for Surgery 2020 will be esteem for those who wish to display their research paper through a poster. The award will be presented to the most informative and educative research poster.

### Criteria:

All presented abstracts will automatically be considered for the Award.

All the presentations will be evaluated at the conference venue.

All the awards will be selected by the judges of the award category.

The winners will be formally announced during the closing ceremony.

The winners of the Poster Award will receive an award certificate.

The awards will be assessed as far as to plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

**Guidelines:**

All submissions must be in English.

The topic must fit into scientific sessions of the conference.

Each individual participant is allowed to submit a maximum 2 papers.

Abstract must be submitted online as per the given abstract template.

Abstracts must be written in Times New Roman and font size will be 12.

Abstract must contain title, name, affiliation, country, speaker's biography, recent photograph, image, and reference.

Each poster should be approximately 1x1 M long. The title, contents and the author's information should be clearly visible from a distance of 1-2 feet.
