
CANCER MEETING 2020: Effects of Far-Infrared and Terahertz Onnetsu Therapy on Various Cancers, Rheumatoid Arthritis and other diseases

ABSTRACT

Introduction: Onnetsu means comfortable heat. Onnetsu Therapy invented by Dr. Kazuko

Tatumura emits from a special patented ceramic; 1) Heat 2) Precise 8-10 μ of vibration of

Far Infrared Sunray and 3) Vibration of Terahertz.

Tatumura is the first in the world to incorporate Terahertz minerals to medical use from

active volcanos stones from Japan. Worldwide patent pending.

Methods: When Onnetsuki is slid over the skin, healthy areas are comfortable, but IF deep

tissue is unhealthy or cold, degenerated, patient feels this spot to be 'hot'. When this 'hot

spot' is effectively treated with Onnetsu Therapy (Far-Infrared & Terahertz vibrations, and

Heat), the hot sensation subsides and the Disease conditions improve through vibrating

water molecules of our deep tissue. Therefore, the Onnetsu Therapy is both a diagnostic

and therapeutic.

Dr Kazuko's Onnetsu Therapy is based on four historical and scientific facts.

1. Traditional Japanese Concept of the significance of Body Temperature. Hippocrates

also has left quotes on Heat.

2. NASA's finding regarding Far-Infrared vibration from Sun light precise 8-10 μ . Also,

added is the specific Terahertz vibration of earth minerals from volcanos stones from

the depth of our planet earth.

3. Immunology by Dr. Toru Abo, balancing autonomic nervous system to improve

condition of white cells; Raising Immunity.

4. Promoting four flows of Energy throughout our body by using acupuncture meridian

technique.

Result: Some countries (Peru, Cuba & Mexico) are practicing it in the hospitals and clinics.

Clinical trials have shown improvements on many diseases: such as asthma, brain, ear & eye

problems, cancers, diabetes, rheumatoid arthritis, tuberculosis and various pain conditions.

Clinical studies from Cuba and Peru will be presented.

Conclusion: Onnetsu Therapy is a new, easy & non-invasive treatment modality to treat

difficult chronic medical conditions. Therapy uses Universal Vibrations, Heat, Light,

Autonomic Nervous System Balance and Acupuncture Meridian System.
