Conference Announcement on World Congress on Health and Medical Tourism

We are pleased to welcome you to the "[World Congress on Health and Medical Tourism](#)" after the successful completion of the series of medical tourism Congress. The congress is scheduled to take place in the beautiful city of Dubai, UAE, on July 23-24, 2020. This medical tourism 2020 conference will provide you with an exemplary research experience and huge ideas.

The perspective of the medical tourism Conference is to set up transplant research to help people understand how treatment techniques have advanced and how the field has developed in recent years.

Medical tourism is where people travel from one country to another for the medical treatment. The factors that mainly contribute to the medical tourism are high costs, prolonged wait for the surgeries, ease and comfort ability and also to meet the technology and standards of many countries. The various surgeries and transplantations such as cosmetic surgery, organ transplantation, infertility treatment, etc. ... has become a prominent one among most of the developed countries. Medical tourism also contributes greatly to the government revenues and offers employment opportunities to the native individuals..

Health and Medical Tourism (Medical Tourism 2020) It is focusing on "Changing the World by Exploring Newer and Sustainable Technologies in [Health and Medical Tourism](#) Systems" to develop and explore knowledge among Medical community and to launch new businesses and swapping ideas. Providing the right stage to present thought-provoking Keynote talks, Plenary sessions, Discussion Panels, B2B Meetings, Poster symposia, Video Presentations and Workshops.

Health and Medical Tourism 2020 foresees over 200 participants from 7 continents with revolutionary subjects, discussions and expositions. This will be a marvellous viability for the researchers, students and the delegates from Universities and Institutes to intermingle with the world class Scientists, speakers, technicians and laser Practitioners and Industry Professionals working in the field of lasers, Health and Medical Tourism system.

To enhance the field and make people aware of it. The organizing committee decided to hold a conference. Medical Tourism is one of the fast growing and developing areas of surgery.

People who have missed attending the past conference are most welcome to present your research ideas at the 2020 [medical tourism conference](#). This conference will help you improve networking with eminent people in the field of medical tourism.
