Conferences Series LLC International Summit on 33rd European Ophthalmology Congress Annual Meeting to Promote Research Worldwide- Eye to the Future: Ophthalmology Compensation Trends.

Conferences Series LLC has successfully concluded its **33rd European Ophthalmology Congress** from, 2019 November 14-15. More than 60 distinguished scientists, researcher, academician participated for sharing research advance, knowledge and expertise related to the Ophthalmology worldwide. The 2 days conference, held on November 14th through November 15th provides the leading academic scientists, researchers and scholars to share their experiences and research results about all aspects of **Ophthalmology Conference**.

33rd European Ophthalmology Congress was inaugurated followed by the key note session by **Samuel Navon**, Cleveland Clinic Abu Dhabi, UAE with the title "A new paradigm for dry eye in the era of climate change" and **Vasileios Karampatakis**, Aristotle University of Thessaloniki, Greece with title "Design and validation of a novel color test to assess patients with visual impairment". The session was Chair by **Fabrizio Bonucci**, Urban Medical Beauty of Rome, Italy

The conference's first day, featured panels on Ophthalmology in Treatment and Care, **Ophthalmology Management and Retina and Retinal Diseases**, Cornea Disorders And Treatment, **Ophthalmology Surgery**, Glaucoma: A Vision Loss, Pediatric Ophthalmology, Neuro-Ophthalmology, Neurotrophic Keratopathy, New Surgical Treatments For Glaucoma

The second day began with an insightful session on the isolated mono ocular adduction deficit: A novel syndrome by **Mohamed A. Eldesouky**, Tanta University, Egypt. The conference concluded with the poster session.

Supported through the organizing committee network of renowned scientific and professional expert such as **Matias S Haffar**, Hospital Santa Lucia, Argentina, **Isabelle**

Ranchon-Cole, University Clermont Auvergne, France, **Suhail M Hadi**, The Mount Sinai Medical Center, USA it provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas, and emerging technologies in **Ophthalmology in Treatment and Care**.

Forthcoming Conferences on **34th European Ophthalmology Congress** during Nov 23-24, 2020 is going to be held at **Rome, Italy**.

Conferences Series LLC takes great pleasure in inviting the scientific community across the globe to the **34th European Ophthalmology Congress during Nov 23-24, 2020 at Rome, Italy**. Rome is the capital and largest city of Italy. Rome is considered as one of the best venue for conducting conferences due its favourite tourist destinations. This meeting will explore advances in the **Ophthalmology**

This upcoming **Euro-Ophthalmology 2020** focus on physical rehabilitation and the treatment, diagnosis, prevention and study of Ophthalmology diseases. This conference will also present the advanced research, advanced techniques for treatment of health conditions and lifestyle related to the Ophthalmology too.

The participants can exchange and share their research results covering the scientific aspect of Ophthalmology & **Ophthalmology Techniques, Ophthalmology in Treatment and Care, Ophthalmology Management and Retina and Retinal Diseases, Cornea Disorders And Treatment, Ophthalmology Surgery, Glaucoma: A Vision Loss, Pediatric Ophthalmology, Neuro-Ophthalmology, Neurotrophic Keratopathy, New Surgical Treatments For Glaucoma Refractive Errors in Children in the Ophthalmology Conference 2020**.

Conference will encourage Young Researcher's Forum, scientists and the researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea. The **'Best Poster Award'** is

meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase.

The Sponsor in the **34th European Ophthalmology Congress** can reach and get exposure to new clients, customer, business, brand awareness and media exposure. The sponsorship has different levels **Premium Sponsorship Packages**: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Additional Sponsorship Packages and Advertisements. The **34th European Ophthalmology Congress** will consist of organizing committee network of renowned scientific and professional expert.
