

Current Trends and Advancements in Diabetes Research for Better Healthcare System

Mohamed Zaky

The organising committee members of International Conference on “World congress and Expo on Diabetes” have finally revealed the theme for this year’s **Diabetes Asia pacific 2021** conference and it is going to be, “**Current Trends and Advancements in Diabetes Research for Better Healthcare System**”. Conference Series and the organizing committee of **Diabetes Asia pacific 2021** acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of **Diabetes and Clinical Trails**, and has decided to introduce various achievement awards for all the participants. **Diabetes Asia pacific 2021** conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at **Diabetes Asia pacific 2021**:

Conference series llc ltd. is organizing “[World congress and Expo on Diabetes](#)” which is going to be held in the month of **November 16-17, 2021 at Kyoto, Japan**. The Theme of the conference is “**Current Trends and Advancements in Diabetes Research for Better Healthcare System**”. The [conference](#) offers emerging scholar awards to outstanding researchers, scientists, exceptional graduates or early academicians who have distinctive enthralment towards the conference theme. The Award strives in providing a strong professional development opportunity for early career academicians—[meeting experts](#) in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

Expert Level (Scientific Service Achievement Award):

The award is for experts who have made remarkable contributions in the advancements of “[Diabetes and Clinical Trails](#)”. It is the most prestigious award of the whole conference and is tagged as Scientific Service Achievement award. The eligibility criteria for achieving this award are, one should have minimum of **20+ years of experience** in the relative field in

public or private sector. The recipient of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects.

Professional Level (The Research Contribution Award):

The Award for professional or academic research activity acquired in Diabetes and Clinical Trails research field in the public or private sector for **experts having research knowledge at 10+ years** in the field of [Diabetes and Clinical Trails](#) with most relevant accomplishments. Part-time [research experience](#) would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged.

Scholar Level (The Upcoming Researcher Award):

The conference offers Scholar Level [Award](#) for the upcoming scientists, researchers and experts having **10+ years research experience** in the field of **Diabetes and Clinical Trails**. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Women Scientist (The Women of Science Award):

Our [Conference](#) provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/Industries to who have **10+ years of research experience** to join the forum. We are happy to encourage our women scientist’s participants through research awards and provide assistance for [women scholars](#) in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

Best Keynote Speaker and Outstanding Speaker World congress and Expo on Diabetes

This award is recognizes for [best Keynote speaker](#) and **Outstanding speaker** award who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in [Diabetes and Clinical Trails](#).
