### Editorial

I am pleased to introduce Journal of Chemical Engineering & Process Technology (JCEPT) a rapid peer reviewed Journal which provides an opportunity to share the information among the medical scientists and researchers. It comes under the various field like physical science, chemistry, physics biochemistry and so on I am pleased to announce that, all issues of volume 10 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journals aims to flourish and to publish most complete and reliable source of information on the discoveries and current developments in the mode of original articles, review articles, case reports, short communications, etc. in all areas of the field and making them freely available through online without any restrictions or any other subscriptions to researchers worldwide.

The Index Copernicus value of the journal is 97.45. And also the journal is indexed in Google Scholar, CAS Source Index (CASSI), Open J Gate, RefSeek, OCLC- WorldCat, Sherpa Romeo, Genamics JournalSeek, JournalTOCs, Ulrich's Periodicals Directory, Directory of Research Journal Indexing (DRJI), Hamdard University, EBSCO A-Z, Scholarsteer, Publons, Geneva Foundation for Medical Education and Research.

During the calendar year of 2019, JCEPT received a total of 40 manuscript, out of which 28 articles (70%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 10 articles were subjected for publication after they are accepted in the peer review process. In the 5 issues of Volume 10 published during the year 2019, a total of 10 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of two Editors, five Reviewers joined the board of JCEPT and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Dr. Garry Chen during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of JCEPT in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JCEPT, the office bearers for their support in bringing out yet another volume of JCEPT and look forward to their unrelenting support to bring out the Volume 12 of JCEPT in scheduled time.
