ABOUT JOURNAL

Medical & Surgical Urology (MSU) from Longdom Publishing Group is one of the renowned journals in Medical Sciences and has been publishing research articles, review articles, case reports, short communications, and conference proceedings since 2011. As an open-access publication platform, MSU features the independent research work from various fields of Surgery and Urology like Urinary Tract Infections, Genitourinary Disorders, Urologic Oncology, and Urogynecology, Endourology, Laparoscopy, Pediatric Urology, Pelvic Medicine, Prostatic Hyperplasia, Reconstructive Surgery, Reconstructive Urology, Medical Trials, Process Validation, and many more emerging topics.

MSU is a quarterly journal and its presence is covered in different indexing sights like index Copernicus, publons, CAS Source Index (CASSI), Sherpa Romeo, Genamics JournalSeek, EBSCO A-Z, OCLCWorldCat, Geneva Foundation, Google Scholar. In MSU, all published articles are assigned to Digital Object Identifier (DOI) – CrossRef. To enable the outreach of the publications and outstanding published researches and for industry news, our Assistant Managing Editor Alisin Ian put best efforts to share the recent developments through twitter and LinkedIn professional accounts.

So far MSU has published ten volumes to date. Despite COVID-19 challenges in 2020, MSU has stayed focused on its objectives of publishing world-class research articles and engaging reviews. In 2020, MSU received many valuable types

of research from across the globe and has published 14 publications in forms of short communications, mini reviews, case report, review and research surpassing the number of articles published in 2019. The acceptance of publications in MSU is purely based on fair and blind peer-review using an editorial managing system. Our eminent peer reviewers are renowned scientific and regulatory professionals from different universities across the globe, university's urology departments and hospitals.

Journal of Medical & Surgical Urology (MSU) brings articles in all areas related to urology on quarterly basis. MSU welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence. Papers will be published approximately 7 days after acceptance.

Medical & Surgical Urology Open Access using online manuscript submission, review and tracking systems of Longdom Publishing for quality and quick review processing.

As an Editor in the Editorial Board of MSU, I would like to take this opportunity to thank and acknowledge the efforts of the Editorial Board, Editor-in-Chief: Al B. Barqawi, Executive Editors, and Fellow Editors for rendering tireless efforts to streamline quality innovative research articles and reviews free from plagiarism. I would like to express my deep gratitude to the authors, reviewers, publishers, and office bearers for supporting us over the years and building MSU into a premier publication platform in medical sciences.
