

Editorial Highlights for Journal of Proteomics & Bioinformatics

Susan Williams

Managing Editor, *Journal of Proteomics & Bioinformatics*, E-mail: proteomics@molbioljournal.org

EDITORIAL

The journal aims to publish the most complete and reliable source of information on the advanced and very latest research topics related to the recent advancements in Proteomics for cancer research, Quantitative proteomics, Translational Research, Biomarker identification, Metabolomics, Biomolecular & Analytical Mass Spectrometry, Bioinformatics Tools and Bioinformatics Databases.

All published articles of this journal are included in the indexing and abstracting coverage of Google Scholar, Index Copernicus, CAS Source Index (CASSI), Sherpa Romeo, Academic Journals Database, Open J Gate, Genamics JournalSeek, Academic Keys, JournalTOCs, ResearchBible, Global Online Research in Agriculture (AGORA), Electronic Journals Library, Hamdard University, RefSeek, EBSCO A-Z, Publons, University Grants Commission, Geneva Foundation for Medical Education and Research, Virtual Library of Biology (vifabio), OCLC-WorldCat, Ulrich's Periodicals Directory, China National Knowledge Infrastructure (CNKI) and JournalTOCs.

During the calendar year of 2020, JPB received a total of 34 manuscripts, out of which 6 articles (20%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2020 around 25 articles were subjected for publication after they are accepted in the peer review process. In the 9 issues of Volume 13 published during the year 2020, a total of 25 articles were published. Articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2020, a total of four Editors, fifteen reviewers joined the board of JPB and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will be beneficial to publish quality of articles in the journal.

I am pleased to mention that during the year 2020, all issues of volume 13 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. I take this opportunity to acknowledge the contribution of Dr. Tanveer Ahmad during the final editing of articles published and the Dr. Lucia Silvestrini support as an active reviewer of our journal, I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JPB, the office bearers and staff of JPB secretariat for their support in bringing out yet another volume of JPB and look forward to their unrelenting support to bring out the Volume 14 of JPB in scheduled time.
