### Editorial Note

The New Year promises many exciting developments Journal of Hepatology and Gastrointestinal disorders (JHGD). Popularity of the JHGD can be ascertained by the reader's interest, curiosity and support, which is estimated from the response we have been receiving from diverse geographical regions all across the world. According to the Google Analytics, more than 4601 readers are visiting to our journal websites for submitting manuscripts, to browse the latest research published on Hepatology and metabolism and to refer the published content for conceptualizing their research study, deriving research hypotheses, case reports and validating their contributions.

Journal of Hepatology and Gastrointestinal disorders is one of the best open access journals that aims to publish the most complete and reliable source of information on the discoveries and current developments in the form of original articles, review articles, case reports, short communications, etc. in all areas of the Hepatology, gastro-intestinal disorders like constipation, Irritable Bowel Syndrome (IBS) etc and making them freely available worldwide.

The journal is registered with the following abstracting partners: Index Copernicus

- Google Scholar
- Open J Gate
- China National Knowledge Infrastructure (CNKI)
- RefSeek
- Hamdard University
- EBSCO A-Z
- Proquest Summons

I am delighted to mention that during the year 2019, all 2 issues of volume 5 were published online well within the time.

Congratulations to all of our Editorial Board members, reviewers, authors and readers for achieving this distinction. JHGD received a total of 4 papers, out of which none of the articles were rejected in the preliminary screening due to plagiarism or being out of the format. Around all the articles were subjected to the peer-review process, accepted & published in journal.

In order to publish up-to-date, high-quality and original research, JHGD aspires to coin a special issue-2020 on Coronavirus disease pandemic. Therefore, Editorial Board members of JHGD have decided special issue on title as "Current Trends in Alcohol-Related Liver Disease".

Authors are cordially invited to submit their current research activities and outcomes in the form of any article type of science communication such as original research, review, expert opinion, commentary, short note communication to our Journal. Manuscripts can be submitted online via Editorial Tracking System or as an E-mail attachment to the Editorial Office at editor@longdom.org. JHGD is using Online Review and Editorial Tracking Systems for quality review process and the authors can submit manuscripts and track their progress.

I take this opportunity to acknowledge the contribution of Ms. Ruhina J during the final editing of articles published and the support rendered by the editorial assistant, Ms. Scott Lesley in bringing out issues of JHGD in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JHGD, the office bearers and staff for their support in bringing out yet another volume of JHGD and look forward to their unrelenting support to bring out the Volume 6 of JHGD in scheduled time.
