

## Editorial Note

Gynecology & Obstetrics is the medical and surgical specialty journal that focuses on the research prospectus of reproductive system in females. I am pleased to mention that during the year 2019, all issues of volume 9 were published online well within the time.

Gynecology and Obstetrics during this year also brought out International Conference on Women's Health, Reproduction and Fertility conference proceedings, which consisted of ~ 25 abstracts.

The impact factor of GOCR for the year 2019 was 0.634. All published articles of this journal are included in the indexing and abstracting coverage of: Index Copernicus, Google Scholar, Sherpa Romeo, Genamics Journal Seek, Journal TOCs, CiteFactor, Ulrich's Periodicals Directory, RefSeek, Hamdard University, EBSCO A-Z, Directory of Abstract Indexing for Journals, OCLC- WorldCat, Publons, Geneva Foundation for Medical Education and Research.

During the calendar year 2019, Gynecology & Obstetrics received a total of 35 papers, out of which 14 articles (58%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 21 articles were subjected for publication after they are accepted in the peer review process. In the 12 issues of Volume 9 published during the year 2019, a total of 21 articles were published of which, articles were published from authors all around the world. A total of 70 research scientists from all over the world reviewed the 21 articles published in volume 9. Average publication lag time of an article was further reduced to 2-3 weeks.

During the calendar year 2019, a total of 15 Editors, 5 Reviewers joined the board of GOCR and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of Stephen Robert Kovac during the final editing of articles published and the support rendered by the editorial assistant, Isabella in bringing out issues of Gocr in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of GOCR, the office bearers for their support in bringing out yet another volume of GOCR and look forward to their unrelenting support to bring out the Volume 10 of GOCR in scheduled time.
