

EDITORIAL NOTES OF Orthopaedics And Muscular System: Current Research

I am pleased to mention that during the year 2020, all issues of volume 9 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. OMCR during this year also brought out a supplement to Jan-Feb 2020 issue, which consisted of 3 abstracts of an international conference on public health and hygiene. Besides OMCR also brought out an online special issue in 2020. The JCR Impact factor of OMCR for the year 2019 was 0.32. OMCR is a leading journal among all journals in the field of Orthopaedics published in world wide. During the calendar year 2019-20, OMCR received a total of 10 papers, every articles were accepted in the preliminary screening due to plagiarism or being out of the format. During 2018-20 all articles were subjected to the peer-review process and all of those were accepted. In the 6 or 1 issues of Volume 11 or volume 12 published during the year 2018-20, a total of 15+ articles were published of which, 90 % articles were by foreign authors. A total of 250+ research scientists from India and abroad reviewed the 180+ articles published in volume 1-10. Average publication lag time of an article was further reduced to 6-8 weeks. I take this opportunity to acknowledge the contribution of XXXXX during the final editing of articles published and the support rendered by the editorial assistant, XXXXXXX in bringing out issues of OMCR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of OMCR, the office bearers and staff of OMCR secretariat for their support in bringing out yet another volume of OMCR and look forward to their unrelenting support to bring out the Volume 12 of OMCR in scheduled time.
