### CONFERENCE ANNOUNCEMENT: "15<sup>th</sup> INTERNATIONAL CONFERENCE ON OPHTHALMOLOGY AND VISION SCIENCE" | LONDON, UK | APRIL 13-14, 2020

#### Exploring New Technologies and Inventions for Ophthalmological Sciences

With the prosperous completion of our "World Eye and Vision Congress" which was held in "Dubai, UAE" based on the theme of "Trowel the broadened impacts and front line progressions of Ophthalmology and Vision Science", we are glad to bring it back with a much refreshed and newer version of the "15<sup>th</sup> International Conference on Ophthalmology and Vision Science" scheduled for "April 13-14, 2020" in "London, UK".

The past conference proceeded through various Scientific Sessions with highlighted Keynote presentations by:

- 1) Shlomo Dotan, Hadassah University Hospital, Jerusalem
- 2) Shuliang Jiao, Bascom Palmer Eye Institute of University. USA
- 3) Holhos Larisa Bianca, County Clinical Emergency Hospital of Oradea, Bihor county
- 4) Giuliano Pires, Cearense Institute of Ophthalmology, Brazil

We are contended to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. As per the requests from our previous participants we are glad to introduce the "15<sup>th</sup> International Conference on Ophthalmology and Vision Science".

Bringing the series back with, "Ophthalmology Congress 2020"!

After much anticipation from our previous participants, we are organizing the "15<sup>th</sup> International Conference on Ophthalmology and Vision Science" on "April 13-14, 2020" to take place in "London, UK".

The theme for "[Ophthalmology Congress 2020](#)" is: "*Exploring New Technologies and Inventions for Ophthalmological Sciences*"

We hereby put forth "[Ophthalmology Congress 2020](#)" as an interdisciplinary program that meets the demand for education and development in the fields of "Ophthalmology".

Our aim for this series is to administer an academic feast for all the Ophthalmologists, Orthoptists, Researchers, Associate Professors, and Scholars from both scholastic and ophthalmic Institutes and optometry associations and related topics in order to promote development and education in the field of Ophthalmology.

With many more additions to the previous sessions our conference highlight for "[Ophthalmology Congress 2020](#)" includes:

"Ophthalmology Congress 2020 enhances ophthalmic education to improve eye care Institutes like (NIE, Wilmer are involved) Contribute to preservation and restoration of vision around the world. It is a very easy way to discuss the emerging Platform of Ophthalmic Surgery assigned with new devices. Ophthalmic Surgery continues to be an attractive field of medicine

---

with great opportunities. Ophthalmology Conferences, Ophthalmology Congress 2020, Ophthalmology Events, Ophthalmology Workshops, Ophthalmology Symposiums, World eye Meetings, Ophthalmology Conferences UK, Optometry Conferences”.

The “Ophthalmology Congress 2020” deliberations focus on “eye care Institutes like (NIE, Wilmer are involved) Contribute to preservation and restoration of vision around the world. It is a very easy way to discuss the emerging Platform of Ophthalmic Surgery assigned with new devices. Ophthalmic Surgery continues to be an attractive field of medicine with great opportunities” and it’s sub-specialties and is designed to provide a platform for discussion and networking as well as to share new ideas, advancements and research related to the field.

This Academic event includes imperative Keynote forums, plenary presentations, poster presentations, workshops, exhibitions and more. By participating in forums, sharing research and collaborating, the research community will be much benefited.

Organized with the motive of accentuating the research with the help of international Ophthalmologists, Orthoptists, Researchers, Associate Professors by bringing together all the related experts and professionals under a single summit to emphasize the developments in ophthalmology field.

We welcome you all to connect, contribute and collaborate with Ophthalmologists and Researchers/Surgeons/Associate professors from around the globe in the Ophthalmology Congress 2020, “April 13-14, 2020”.
