EDITORIAL NOTE

Dear Readers,

With a phenomenal happiness, I need to impart my joy as we are in the eleventh year of this logical distributing field. From the outset we started this Gynecology and Obstetrics with the desire to disperse propelled information everywhere throughout the globe. Luckily, with the consistent assistance of Eminent Editorial Board Members, potential analysts and dynamic creators (authors, reviewers) we can run this Journal so adequately till now and we believe it continues in future.

Gynecology and Obstetrics gives the month to month distribution of articles in all regions identified with pre-pregnancy, Cosmetology in vagina, Vaginal Surgery, Drug Treatment in Gynecologic Oncology, Placenta extract, Consumptive coagulopathy, Allantoic cyst, Adherent placenta, etc. In the time of 2019, we have published a generally excellent number of articles, which were

progressing divulgements. At present, our fundamental focus is to make scientific papers more accessible for aspiring researchers. With the assistance of publication board members, Executive Editors and Guest Editors, we are meaning to consider fascinating Special issue subjects to help the authors.

Gynecology and Obstetrics would like to express sincere gratitude to Editors Dr. Stephen Robert Kovac, Kai-Fai Lee, Dr. Martina Bazzaro, and so on for their huge help, direction, benefits, Services in every stage of publication process.

We for the most part foresee work with progressively skilful scientists over the globe.

Regards

Emmy Jones
