

## Editor's Note on Medical & Surgical Urology

Al B. Barqawi\*

*Division of Urology, School of Medicine, University of Colorado, USA*

### EDITORIAL

I am delighted to introduce journal of Medical & Surgical Urology (MSU) of Longdom Publishing Group, one of the renowned journal in the area of medical sciences. Medical & Surgical Urology is an open access publication that features scientific works of all fields of Urology including; Surgery for Urology, Urinary Tract Infections, Genitourinary Disorders, Urologic Oncology, and Urogynecology.

The Journal is a Quarterly journal has completed 9 years started from 2011 accept original research articles, review articles, perspectives, case report, short communication, editorials etc. In the year of 2019 it has completed with 8th volume and in 2020 9th volume is going on. During 2019 total 13 number of articles has been published in 4 issues from which few are from developed countries and few from developing countries.

The objective of MSU is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews. As such, the journal aspires to be vibrant, engaging and accessible, and at the same time integrative and challenging. Each issue of the journal will contain Research Papers, will be more traditional in form and will demonstrate a sound theoretical and methodological underpinning and a clear contribution to knowledge in the field of Urology. All types of papers, however, will be subject to the journal's single-blind peer

review process. Needless to say, any papers that author wish to submit, either individually or collaboratively, are much appreciated and will make a substantial contribution to the early development and success of the journal.

The journal appears in many indexing sites such as; Copernicus, Open J-Gate, Genamics JournalSeek, RefSeek, EBSCO A-Z, Publons, etc. It provides Membership for the journal along with reprints of the article as per authors demand. Handling social media platforms helps in journal growth. Journal uses Twitter and LinkedIn and connect with Researchers, Scientists, and Doctors worldwide to promote the published articles, new trends and news regarding urology along with journals to increase the page views and to get manuscripts for publication purpose.

I take this opportunity to acknowledge the contribution of Al B. Barqawi during the editing of articles published and the support rendered by the Managing Editor, in bringing out issues of MSU in time.

I would also like to thank and express my gratitude to all the authors, reviewers, readers, the publisher, the advisory and the editorial board members of MSU, for their trust & endless support in bringing out another volume of "Medical & Surgical Urology" and looking forward for their continuous support during journal growth in upcoming days.
