

Global Summit on Advanced Plant Science and Natural Resource

Gyan Singh Shekhawat

We are happy to announce the Global Summit on Advanced Plant Science and Natural Resource scheduled to be held in Osaka, Japan on September 17-18, 2020.

The theme for the [Plant Scienceresearch 2020](#) is "Modern Exploration Technologies of Advanced Plant Science and Natural Resource"

[Plant Scienceresearch 2020](#), a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Our [Plant Scienceresearch 2020](#) focuses to create a medium to connect eminent personalities from different backgrounds of Plant Science including Biology, Traditional medicine, Herbal medicine, Plant Scienceresearch, Natural resources, Yoga, Marine biology and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future

The additional tracks for this edition of our Bio technology conference include Ethnopharmacology, Ayurveda & Homeo Medicine, Nursing Research in Traditional Medicine and much more.

[Plant Scienceresearch 2020](#) expects to compile 150+ participants mainly from Plant Science Associations,

Research Scientists, Bio Technology Industries, Plant Science Researchers, Business Entrepreneurs, Environmental Academia, Biologists, Green Energy Training Institutes, Chemical Engineers, Environmental Engineers, Waste Management Associations, and Chemical Industries.

The scientific contributions towards our London Plant Science conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe [Plant Scienceresearch 2020](#) conference to attain greater heights and success.

[Plant Scienceresearch 2020](#) welcomes all the professionals, professors, students, research and environmental enthusiasts, business delegates to venture into complete Plant Science experience at Osaka, Japan on September 17-18, 2020.

Thanks and Regards,

Miditana Y
