EDITORIAL

I am pleased to introduce International Journal of Aeronautics & Aerospace Engineering (JAAE) a rapid peer reviewed Journal which have a key concerns over the medical practices by exploring the best patient oriented Aeronautics and by exhibiting this information both directly, as Aeronautics, and in practice oriented formats of direct application in day-to-day situations. I am pleased to announce that, all issues of volume 9 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based Aeronautics & Aerospace assessment of research and probably it is much in deed for students, professors and researcher.

Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Founded by Dr. Omid Gohardani from USA, Journal of Aeronautics and Aerospace Engineering (ISSN: 2168-9792) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 9 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), CiteFactor, Electronic Journals Library, RefSeek, International committee of medical journals editors (ICMJE), Hamdard University, EBSCO A-Z, Virtual Library of Biology (vifabio), Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed (PubMed NLM ID: 101568098). This Journal having Journal Impact Factor: 1.4* and Index Copernicus Value: 63.05.
