

Infectious Diseases 2019: Past Conference Report

Conference Editorial

5th Annual Congress on Infectious Diseases (Infectious Diseases 2019) organized by Conference Series was held on October 16-17, 2019 at Barcelona, Spain. The conference highlighted the theme, “*Novel Treatment Methods for Infectious Diseases Prevention, Control and Cure*”. Benevolent response and active participations were received from the Editorial Board Members of Conference Series LLC Ltd Journals as well as from the Scientists, Doctors, Researchers, Students and Leaders from the fields of Applied Microbiology Research, who made this event inspiring successful.

The conference was initiated with a warm welcome note from Honorable Guest and our special thanks to **Mujib A.Abdurahman, Karadeniz Technical University, Turkey** the Honorable Chair for the conference who contributed a major part to the success of this event. The conference was marked by the presence of renowned Scientists, talented Young Researchers, Students and Business Delegates driving the two days event into the path of success with thought-provoking Keynote and Plenary presentations. Active participation and generous response were received from the Organizing Committee Members. Professors, Researchers, and Students from diverse groups made this conference as one of the most successful and productive events in 2019 from Conference Series.

The Infectious Diseases 2019 Conference was carried out through various sessions with discussions on the following thought provoking and cerebrating scientific tracks:

- Infectious Diseases
- Bacterial & Fungal Infectious Diseases
- HIV/AIDS
- Infectious Diseases Prevention, Control and Cure
- Antimicrobial/ Antibiotic/ Antibacterial Resistance
- Diagnosis of Infectious Diseases
- Vaccines and Vaccination
- Immunology of Infections
- Sexually Transmitted Diseases/ Sexually Transmitted Infections
- Neuro Infectious Diseases

The peerless people who promulgated the theme with their exquisite talks were:

1. **Mujib A.Abdurahman**, Karadeniz Technical University, Turkey, on the topic, “*Antibacterial properties of three newly identified recombinant Staphylococcus aureus phage endolysins*”
2. **Princess Alexandra B. Duque-David**, Jose B. Lingad Memorial Regional Hospital, Pampanga, Philippines, on the topic “*The clinico-epidemiologic profile and the correlation of nutrition and immunization status with outcome of measles patients during an outbreak*”
3. **Diana Marie Tan San Pedro**, Bicol Medical Center, Philippines, on the topic “*Severe leptospirosis with pulmonary hemorrhage; The role of intravenous hydrocortisone*”
4. **Karla Kohan-Ivani**, Instituto de Salud Pública de Chile, Santiago, Chile, on the topic “*A three-year evaluation of universal surveillance of tuberculosis drug resistance (TB-DR) in Chile*”
5. **Alaofin Omotayo Solomon**, University of KwaZulu-Natal, Durban, South Africa, on the topic “*Prevalence of malaria among HIV positive pregnant women in the North Central Zone, Nigeria: A retrospective chart review*”
6. **Olufunmilayo Olukemi Akapo**, University of Zululand, South Africa, on the topic “*Distribution and diversity of cytochrome P450 monooxygenases in the fungal class Tremellomycetes*”

Conference Series has taken the privilege of felicitating **Infectious Diseases 2019** Organizing Committee and Keynote Speakers who supported and contributed to the success of this event.

We sincerely thank the Organizing Committee Members, Participants and Media Partners for their gracious presence and generous support, without which the conference would not have reached the pinnacle of success.
