

## International Conference on New Frontiers in Clinical Microbiology and Infectious Diseases

Kevin Coombs

The Conference Series LLC Ltd organizes conferences around the world on all medical subjects including microbiology and its related fields. Here we are happy to invite all microbiology researchers/ industrialists/ students to join our "11th International Conference on New Frontiers in Clinical Microbiology and Infectious Diseases" scheduled to be held in London, UK during November 19-20, 2020. The Euro Clinical Microbiology 2020 is initiated by Editors of [Journal of Clinical Microbiology](#): Open Access, [Journal of Food & Industrial Microbiology](#): Open Access, and [Journal of Plant Pathology & Microbiology](#): Open Access. Conference series LLC Ltd and its subsidiaries including iMedPub Ltd and Conference Series Organize 3000+ Conferences across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open Access Journals which contains over 50000 eminent personalities, reputed scientists as editorial board members. Research Scholars, Students, Libraries, Educational Institutions, Research centers and the industry are main stakeholders that benefitted greatly from this knowledge dissemination. Conference series LLC Ltd also organizes 3000+ International conferences across the globe, where knowledge transfer takes place through debates, round table discussions, poster presentations, workshops, symposia and exhibitions.

[Conference Series LLC](#) proudly announcing [Young Researchers Awards](#) with an aim to recognize outstanding achievement and contribution of professionals and researchers in the area of medical, life sciences, physical sciences, health care and engineering.

Young Researchers Presentation is a key session at **New Frontiers in Clinical Microbiology and Infectious Diseases** which is scheduled during November 19-20, 2020 at London, UK. **Euro Microbiology 2020** focused on the theme "Current and Future Trends in Clinical Microbiology".

Euro Microbiology conference committee will be providing a platform for all talented young researchers, investigators, Post-graduate/Master students, PhD scholars to showcase their current research and innovation.

Major scientific sessions of microbiology conference are New Frontiers in Clinical Microbiology and Infectious Diseases, Infectious diseases, Health Science, Host Pathogen Interactions, Medical Microbiology and this international conference will be attracting leading researches and decision makers in their field, principal investigators, and business professionals for sharing knowledge and research globally.

### Eligibility:

Postgraduates/masters student, junior scientist, young faculty member, PhD scholar and Postdoc researchers

**Privileges:** The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

- Acknowledgement as YRF Awardee
- Recognition by providing certificates and memento
- Recognition through website promotion and award page
- Networking opportunity to coordinate with partners around the world
- Publish that particular research paper for free

### Criteria:

- All accepted abstracts will automatically be considered for the Award.
- All the presentation will be evaluated at the conference venue
- All the awards will be selected by the judges of the award category
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression

### Guidelines:

- All submissions must be in English
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit maximum 2 abstracts
- Abstract must be submitted online as per the given abstract template
- Abstracts must be written in Times New Roman and font size will be 12
- Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

### Conditions of Acceptance:

To receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT and permission within the designated timeframe will result in forfeiture of award.
