

# International Conference on Orthopedics and Arthroplasty

Daisy Joseph\*

Managing Editor, Orthopedic and Muscular System: Current Research, Barcelona, Spain

## ABOUT CONFERENCE

Conferences Series LLC takes great pleasure in inviting the scientific community across the globe to the Online Conference of **15th International Conference on Orthopedics, Arthroplasty and Rheumatology** during **August 02-03, 2021**. This meeting will explore advances in **Orthopedics**.

The upcoming **Arthroplasty and Orthopedics 2021** focuses on Orthopedics Prevention and the treatment, diagnosis, prevention, and study of Orthopedics diseases. This conference will also present advanced research, advanced techniques for the treatment of Orthopedics, Arthroplasty, and Rheumatology related diseases.

### Young Researchers Forum - Young Scientist Awards

Young Research's Awards at **Orthopedics 2021** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only **25 presentations acceptable** at the **Orthopedics 2021** young research forum.

### Young Scientist Benefits

- Our conferences provide best Platform for your research through oral presentations.
- Share the ideas with both eminent researchers and mentors.
- Young Scientist Award reorganization certificate and memento to the winners
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development
- Award should motivate participants to strive to realize their full potential which could in turn be beneficial to the field as whole.

The participants can exchange and share their research results covering the scientific aspect of Rheumatology, Osteoarthritis, Orthopedic Surgery, Arthroplasty, Osteoporosis, Arthritis,

Orthopedic Trauma, Physical medicine and rehabilitation, Paediatric Orthopedics, General Orthopedics, Joint replacement surgery, Spine Disorders / Spine Injuries, Musculoskeletal Disorders, General Orthopedics

The conference will encourage Young Researcher's Forum, scientists and the researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea. The **'Best Poster Award'** is meant to encourage students in taking an active part in the International Science platform to sharpen their skills and knowledgebase.

Orthopedics 2021 will put together world-class educators, scientists, physicians, students, researchers, doctors, pharmaceutical companies to explore techniques for Bone, Arthritis, Arthroplasty, Full Hip & Knee Replacement. Orthopedics, Rheumatology & Sports Medicine Conference, Orthopedics & Arthroplasty Conference is expected to provide varying and flow training that will keep helpful professionals side by side with the issues that impact anticipation, finding and care.

### Target Audience:

- Surgeons
- Students
- Researchers
- Scientists
- Faculty
- Medical Colleges, Universities
- Societies & Associations
- Business Entrepreneurs
- Training Institutes
- Software making associations
- Manufacturing Medical Devices Companies
