On behalf of Editor, Dr. Tadayoshi Asaka, we would like to invite you to submit a manuscript for the Special Issue of "Neurodegenerative Diseases" in International Journal of Physical Medicine & Rehabilitation.

In this Special Issue, researchers from all fields related to Neurology & Rehabilitation are invited to contribute articles focused on "Neurodegenerative Diseases" in order to exchange novel scientific methods and to share recent achievements. Basic, clinical and translational research relevant to the topic is welcome.

Potential topics include, but are not limited to:

- Alzheimer's disease
- Physical Therapy - Exercise and Parkinson's disease
- Stroke and neurodegenerative disorders
- Huntington's disease
- Amyotrophic lateral sclerosis
- Aging and neurodegeneration
- PCD and neurodegeneration
- Multiple sclerosis

International Journal of Physical Medicine & Rehabilitation is an open access journal, covers broad area for publication in the field of Rehabilitation. JPMR publishes most exciting original research articles, and review articles, related to all aspects of disability and rehabilitation.

Note that all manuscripts submitted for this Special Issue, which is limited to (10-15) articles, will be peer-reviewed following normal practices of International Journal of Physical Medicine & Rehabilitation.

For more information related to special issue on "Neurodegenerative Diseases" with regard to author guidelines and publication charges, please, refer to the journal website at <http://www.omicsonline.org/physical-medicine-rehabilitation.php>

Authors can submit their manuscripts via the Manuscript Tracking System at <https://www.editorialmanager.com/medicaljournals/>

Important Dates

Manuscript Due: 20 June 2016

First Round of Reviews: 22 August 2016

Publication Date: 24 October 2016
