Editorial Highlights

Journal of Thermodynamics & Catalysis provides the rapid tri annual publication of articles in all areas related to Chemical Engineering. The journal of Thermodynamics & Catalysis welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), CiteFactor, Electronic Journals Library, RefSeek, Hamdard University, EBSCO A-Z, Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed (PubMed NLM ID: 101568098).

Journal of Thermodynamics and Catalysis also announces its new association with Longdom group for Archiving, Journal maintenance, financial purpose and support .However the journal will be running its original website <https://www.longdom.org/thermodynamics-catalysis.html> parallel for

Editorial and review work process so as to maintain its highest standard of scientific work.

Association with Longdom group has increased Readership Metrics (By Google Analytics) of Oral Health and Dental Management Journal which can be accessed at <https://www.longdom.org/thermodynamics-catalysis/advertising.html>

I take this opportunity to acknowledge the contribution of Editor-in-Chief: Timir Datta (USA), Ihsan A. Shehadi (UAE), Rajender S. Varma (USA) and Executive Editors: K. K. Pant (India), Edward I. Solomon (USA) during the final editing of articles published and the support rendered by the editorial assistants: Dr. Devaiah Damma, Loai Aljerf and Haifeng Xiong Yamamoto in bringing out issues of JTC in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JTC, the office bearers for their support in bringing out yet another volume of OHDM and look forward to their unrelenting support to bring out the Volume 11 of JTC in scheduled time.
