

## *Past Conference Editorial of Polymer Chemistry 2020*

EuroSciCon hosted the “[Polymer Chemistry 2020](#)”, during March 23-24, 2020 with the theme, “Exploring recent advances in Polymer chemistry, related fields and applications”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

Polymer Chemistry 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of polymer and plastic industries.

Polymer Chemistry 2020 Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

EuroSciCon extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Polymer chemistry 2020”.

- Alexander Kuznetso, Enikolpov Institute of synthetic polymer materials Russian Academy of Sciences
- Mahmoud A. Hussein, King Abdulaziz University, Saudi Arabia

EuroSciCon is privileged to felicitate Polymer Chemistry 2020 Organizing Committee, Keynote Speakers, Chairs and also the Moderators of the conference whose support and efforts made the conference to move on the path of success. EuroSciCon thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of polymer and plastic industries.

EuroSciCon is glad to announce its “6th Edition of International Conference and Exhibition on Polymer Chemistry” during March 22-23, 2021 at Oslo, Norway. We cordially welcome all the eminent researchers, Presidents, CEO's, polymer and plastic industries researchers, industrialists, young scientists, Training Institutes, Young researchers, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of polymer with 20% abatement on the Early Bird Prices.

Bookmark your dates for “Polymer Chemistry 2021, Norway” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
