

## Past Conference Report Global Hematology 2019 at Netherlands

The triumph of 4th International Conference on [Hematology](#) and Bone Marrow Transplantation organized by Allied Academies Ltd that was held in Amsterdam, Netherlands during July 25-26, 2019 was a great bench mark. Huge number of participants from around the world had spoken on different sessions.

The conference started at 8:30 starting with registration and ended with poster session at 6:00 pm. The Session ongoing with Keynote talks by the eminent speakers like **Dr. Gerald C Hsu**, USA, **Dr. Erfried Pichler**, Austria and **Dr. Izzard Aglua** from the reputed organizations and oral talks followed by poster presentations from the best and top ranked physicians from varied departments who are interrelated to this field. Research scholars, students and exhibitions are the special attractions who made the event alive through their doubts researches.

Allied Academies Ltd offers well gratitude to Organizing Committee Members, adroit of field, various outside experts, company councils and is obliged to other renowned personalities who interlocked with us and reinforced the symposium in every facet, without which the conference would not have been possible. Your response is our inspiration; keeping this motto in mind and being observed the triumph of Global Hematology 2019.

Taking the Success vibes in heart we move forward to 5th International Conference on Clinical Hematology and Transfusion Medicine that is scheduled in Rome, Italy in the month of Feb 24 & 25, 2020.
