

Webinar on Enzymology

Aarav Mohammed

Jadavpur University India

Meetings International has successfully hosted the Webinar on Enzymology during October 29, 2020. The Enzymology Webinar has a strong emphasis on support and inspiration for the next generation of scientists, along with early-career researchers, a Young Researchers Forum, and activities to encourage interaction with peers and experts. The broad subject coverage of the Webinar and its size provide an excellent setting for participants to gain valuable insight into progress in research areas beyond their own. In addition, a range of special sessions aims to engage participants on broader issues such as teaching in the enzymology and molecular biology research.

Presenters at Enzymology webinar:

- Katarzyna Kotwica-Mojzych, Medical University of Lublin, Poland
- Zohreh Nabavi Medical Entomology and vectors control, Iran
- P Kesavan Koppolu, Drug Discovery / Development, India
