Professor, University of Pisa, Italy, E-mail: [MARIA.PERLA.COLOMBINI@UNIFI.IT](mailto:MARIA.PERLA.COLOMBINI@UNIFI.IT)

### Prestigious Award for Young Research's at Mass Spectro 2020 - Discovering New Exploration in Chemistry field

Chemistry Conference Committee is glad to announce "10th World Congress on Mass Spectrometry & Analytical Techniques" December 07 -08, 2020 in Paris, France by focus on the theme: "Insights in modern world of Mass Spectrometry & Analytical Chemistry" Mass Spectro 2020 developments are maintaining their momentum. Chemistry Conference program delves into strategic discussions.

#### *Mass Spectro 2020 Young Scientist Awards:*

Chemistry Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Chemistry.

Young Research's Awards at [Mass Spectro 2020](#) for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Mass Spectro 2020 young research forum. .

#### **Guidelines for Young Researchers Forum**

##### *Benefits*

- [Young Scientist Award](#) recognition certificate and memento to the winners.

- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It is a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

##### *Eligibility*

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

##### *Criteria for Selection*

- Showcase your research through oral presentations.

- Learn about career development and the latest research tools and technologies in your field.
  - This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
  - Develop a foundation for collaboration among young researchers.
  - The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
  - Interact and share ideas with both peers and mentors.
  - Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.
  - Actively distribute information and promote the benefits of education and career matters.
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.
  - Actively distribute information and promote the benefits of education and career matters.
