

Young Researchers Forum - Young Scientist Awards {Euro Materials Chemistry 2020}

Grace Fernandez,

Prestigious Award for Young Research's at [Euro Materials Chemistry 2020] - Discovering New Exploration in {Materials} field

{Euro Materials Chemistry 2020} Conference Committee is glad to announce "3rd International Conference and Exhibition on Materials Science and Materials Chemistry" during April 27-28, 2020 in Berlin, Germany by focus on the theme: "Innovations and Chemical Applications in Materials Science"

[Euro Materials Chemistry 2020] developments are maintaining their momentum. Materials Chemistry Conference program delves into strategic discussions.

[Euro Materials Chemistry 2020] Young Scientist Awards:

{Euro Materials Chemistry 2020} Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Award make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of {Materials Chemistry}.

Young Research's Awards at [Euro Materials Chemistry 2020] for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the [Euro Materials Chemistry 2020] young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to winners
- Our conferences provide best Platform for your research through oral presentation.
- Learn about career improvement with all latest technologies by networking.
- Young Scientist will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn

about their research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

[Euro Materials Chemistry 2020] provides best platform to expand your network, where you can meet chemists, researchers and students from around the world. It's your time to grab the opportunity to join [Euro Materials Chemistry 2020] for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our [Euro Materials Chemistry 2020] more successful.

Grace Fernandez,

Lecturer, Ahmadu Bello University, Nigeria, E-mail: fernandez7527@gmail.com
