Announcement: Global Summit on Oncology and Breast Cancer
Summit, Vienna, Austria on May 04-05, 2020

Rim Dey

We are happy to announce the International Conference on Oncology and Breast Cancer scheduled to be held Vienna, Austria on May 04-05, 2020.

The theme for the Oncology Summit is "Awareness is the key to eradicate cancer"

Oncology 2020, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Our Oncology conference 2020 focuses to create a medium to connect eminent personalities from different backgrounds of Earth Science including Cancer Biomarkers, Oncology Nursing and Care, Cancer: Lifestyle and Nutrition, Cancer Immunology & Immunotherapy, Pharmaceutical Oncology, Cancer Vaccination, Cancer Prevention and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The additional tracks for this edition of our waste management conference include Effect of 3 R’s on Hormonal Therapy, Key Role of Pathology in Cancer, Cancer & Stem Cell Therapy and much more.

The Austria Oncology conference expects to compile 150+ participants mainly from Earth Science Associations, Research Scientists, Pharmaceutical Industries, Oncology Researchers, Business Entrepreneurs, Cancer Academia, Oncologists, Oncology Training Institutes, and Cancer Management Associations.

The scientific contributions towards our Rome Oncology conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Oncology 2020 conference to attain greater heights and success.
