**ABSTRACT**

**Introduction:** Onnetsu means comfortable heat. Onnetsu Therapy invented by Dr. Kazuko Tatsumura emits from a special patented ceramic; 1) Heat 2) Precise 8-10µ of vibration of Far Infrared Sunray and 3) Vibration of Terahertz.

Tatsumura is the first in the world to incorporate Terahertz minerals to medical use from active volcanos stones from Japan. Worldwide patent pending.

**Methods:** When Onnetsuki is slid over the skin, healthy areas are comfortable, but IF deep tissue is unhealthy or cold, degenerated, patient feels this spot to be ‘hot’. When this ‘hot spot’ is effectively treated with Onnetsu Therapy (Far-Infrared & Terahertz vibrations, and Heat), the hot sensation subsides and the Disease conditions improve through vibrating water molecules of our deep tissue. Therefore, the Onnetsu Therapy is both a diagnostic and therapeutic.

Dr Kazuko’s Onnetsu Therapy is based on four historical and scientific facts.

1. Traditional Japanese Concept of the significance of Body Temperature. Hippocrates also has left quotes on Heat.

2. NASA’s finding regarding Far-Infrared vibration from Sun light precise 8-10µ. Also, added is the specific Terahertz vibration of earth minerals from volcanos stones from the depth of our planet earth.

3. Immunology by Dr. Toru Abo, balancing autonomic nervous system to improve condition of white cells; Raising Immunity.

4. Promoting four flows of Energy throughout our body by using acupuncture meridian...
**Result:** Some countries (Peru, Cuba & Mexico) are practicing it in the hospitals
and clinics.

Clinical trials have shown improvements on many diseases: such as asthma, brain,
ear & eye
problems, cancers, diabetes, rheumatoid arthritis, tuberculosis and various pain
conditions.

Clinical studies from Cuba and Peru will be presented.

**Conclusion:** Onnetsu Therapy is a new, easy & non-invasive treatment modality to
treat difficult chronic medical conditions. Therapy uses Universal Vibrations, Heat,
Light,
Autonomic Nervous System Balance and Acupuncture Meridian System.
