

Conference Announcement of 23rd World Congress on Toxicology and Pharmacology | Webinar

József Kukolya

National Agricultural Research and Innovation Centre, Hungary

23rd World Congress on Toxicology and Pharmacology will encourage scientists and researchers & young researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea by felicitating them with the 'Best Speaker', 'Best Presenter', 'Best Research', 'Best Young Researcher' and The 'Best Poster Award' respectively. The Main aim is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge.

The Sponsor & Exhibitor will get chance to expose themselves to new clients, customer, business, brand awareness and media exposure. Our sponsorship has categorized with Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Media Partner, Collaborator, Additional Sponsorship Packages and Advertisements.

This Conference gives an opportunity for speakers from all over the world to share new topics in the field of research. It is also an interdisciplinary platform for researchers, practitioners and edu-

cators to discuss the most recent advances, in the field of Hepatology.

We gladly welcome all the attendees around the world for the hearing of the foremost recent innovations and inventions in the field of Hepatology. This Conference will provide a place for the exchange of ideas and views by leading scientists, researchers and also from the academicians around the globe. There will be many outstanding keynote speakers and well known leading scientists and experts from various places of the globe to share their ideas and talk about various aspects related to the field of Hepatology. Our aim is to gather peer researchers, young scientists, academicians & industrialists to meet, discuss and share the ideas related to it and the knowledge that's still more to be revealed. We heartily encourage you to attend and contribute to one of the major events of 2021 in the field of Hepatology. The conference will reveal the present and future aspects in the field of Hepatology which are the need for instant and better treatment.
