A Warm Welcome to Participate as an Editor for Journal of Psychological Abnormalities

Stella Brown*
Department of Psychology, Editorial Office, Belgium

EDITORIAL
Firstly we would like to extend our warm gratitude to the Editors of this Open Access Journal. Journal of Psychological Abnormalities has collaboration with more than 50 eminent Editors and is successfully publishing quality articles in the field of addiction science.

We are using an Editorial Tracking System for quality in peer-review process which is an online manuscript submission, review and tracking systems. Review processing is performed by the editorial board members of the Journal or outside experts; at least two independent reviewers approval followed by editor approval is required for acceptance of any citable manuscript. Authors may submit manuscripts and track for the priceless work of our board individuals in contributing both to our thorough companion audit framework and to the essential advancement of the Journal. The Journal group incorporates global specialists of related logical distributions. All the submitted papers go through different stages to guarantee distribution quality. The compositions go through the standard companion audit measure. There is beginning screening by the endless supply of paper. Fitting papers are then shipped off in any event two free refs. The remarks from the arbitrators are considered by the Editor-in-Chief, the key individual settling on an ultimate conclusion. Giving speedy and quality criticism to our esteemed editors remains our need concern so their work can be made accessible to worldwide society on schedule.

COVID-19 outbreak has caused massive disturbances globally leading to challenges for everyone. Several numbers of researchers/technicians are still facing challenges like laboratory Closures and arrangement of online teaching and also simultaneously dealing with the effects of this pandemic situation on their day to day lives. Some of the editors, reviewers, and authors of various different journals are also physicians who are battling the pandemic. Therefore, delays during this pandemic period are inevitable, and therefore we would like to convey our thanks. It is significant that our Editors and Editorial Advisory Board ought to address the themes we distribute as well as reflect nations from where our entries come. Moreover, Journal of Psychological Abnormalities has supported researchers in their early-career.
