

Past Conference Report of 23rd World Congress on Toxicology and Pharmacology | Webinar

Ildikó Bata-Vidács

Agro-Environmental Research Institute, Hungary

INTRODUCTION

We are delighted to let you know that the 22nd World Congress on Toxicology and Pharmacology during July 14-15, 2020 at Kyoto, Japan was very much successful.

Toxicology Congress 2020 offered a unique stage to present and know the most recent updates in the field of Toxicology and Pharmacology covering wide areas of interest.

Why Toxicology Congress 2021?

At Toxicology Congress 2021 you can meet the world's leading toxicologists, pharmacologists, clinical research professionals, biochemists and also the industrialists who will provide you with the latest innovations and scientific approaches thus, help you in widening your scientific knowledge.

The topics of the Congress will reflect the recent advances, current trends, future trends and new approaches in Toxicology and Pharmacology.

The congress will cover among others: Mechanisms and modes of action of various toxins, Clinical and Forensic toxicology, Emerging in vitro models, Medicine Development and Safety Testing, Regulatory toxicology and last but not least, a broad scope of pharmacology and toxicology in different fields.

About the city:

The city of Kyoto is what most travellers' dream of when envisioning Japan.

Thus, our objective was, to create platforms which gathered eminent scientists who would undoubtedly enrich our congress during the Q&A sections.
