

Editorial on Cognitive Psychology

Leonidovna Duduk*

Department of Psychology, Grodno State Medical University, Belarus

INTRODUCTION

International Journal of School and Cognitive Psychology (IJSCP) extend a warm welcome to the researchers, scholars, academicians, clinical and medical practitioners to contribute their original research on School and Cognitive Psychology. As well as reflecting the traditional core subjects of Adolescent behavior, Applied Psychology, Child autism and School psychology etc. I am pleased to announce that, till now all issues of volume 8 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2021. The Journals aims to flourish and to maintain the standards in research and practice provide platform and opportunity to present the interface of Psychology and other scientific field's related scope of the journal, and probably the journal aims to be the voice of the overall School and Cognitive Psychology academic group.

All published articles of this journal are included in the indexing and abstracting coverage of Index RefSeek, Hamdard University, EBSCO A-Z, OCLC- World Cat, Publons, Geneva Foundation for Medical Education and Research, Euro Pub, Google Scholar, Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed. During the calendar year of 2020, IJSCP received a total of 32 manuscripts, out

of which 10 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2020 around 22 articles were subjected for publication after they are accepted in the peer review process.

9th issue of Volume 8 published during the year of 2021, a total of 5 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2021, a total of two Editors, five Reviewers joined the board of IJSCP and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Robert F. Valois (USA), and Mary T Flaherty (Australia) during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of IJSCP in time.

I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IJSCP, the office bearers for their support in bringing out yet another volume of IJSCP and look forward to their unrelenting support to bring out the Volume 8 of IJSCP in scheduled time.
