

## Alzheimer's Congress 2019

Mourad Tayebi

10<sup>th</sup> World Congress on Alzheimer's disease and Dementia was organized during May 30-31, 2018 at Hyatt Regency Osaka, Osaka, Japan with the support and contribution of the Organizing Committee Members.

Firstly, we must thank you for trusting us and participating in [Alzheimer's Congress 2018](#), a global platform to discuss various important aspects of Alzheimer's disease and Dementia.

There are infinite reasons to extend our gratitude to you for making the [Alzheimer's Congress 2018](#) outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve Alzheimer's Congress 2018 a new heights in the field of Neuroscience.

The conference was marked with the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 15 countries, who have driven this event into the path of success. The conference was organized around the theme "Novel Research and Diagnostic Approaches of Alzheimer's Disease and Dementia". The event implanted a firm relation of upcoming strategies in the field of Novel approaches and Developments in Neurological disorders and management of Alzheimer's disease and [Dementia](#) with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers:

1. Nela Pivac, Rudjer Boskovic Institute, Croatia
2. Bruno Vincent, Mahidol University, Thailand
3. Reshma A Merchant, National University of Singapore, Singapore
4. Dong-Woo Lee, Inje University Sanggye Paik Hospital, Republic of Korea
5. Philip Choo, National Healthcare Group, Singapore
6. Claude Michel Wischik, University of Aberdeen, UK
7. Benedicte Defontaines, Hospital Center De Moze, France

The conference witnessed an amalgamation of peerless

speeches, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Neuroscience and various Neurological disorders by their fabulous presentations at the podium of Alzheimer's Congress 2018.

Conference series LLC offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners, sponsors and Editorial Board Members of Journal of Depression and Anxiety, Journal of Emergency Mental Health and Human Resilience, Journal of Traumatic Stress Disorders & Treatment who supported the conference in every aspect for the awe-inspiring exhibition at the venue. We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank our **Organizing Committee Members**. So as a continuation of Alzheimer's Congress 2018, we would like to heartily invite you to our upcoming **15<sup>th</sup> World Summit on Alzheimer's disease, Dementia Care Research and Awareness** scheduled during November 30-December 01, 2020 at Barcelona, Spain.

For 2019 we are expanding our focus towards all aspects of Depression, Anxiety, and stress and Re-search findings as treatment methods. Our organizing committee is gearing up for more innovative and explorative sessions to unleash the boundaries of the Alzheimer's Congress 2018. Your expertise and knowledge in the area of Alzheimer's Congress 2018 will provide an opportunity to discuss and respond to a series of questions about the status of Alzheimer's disease and Dementia. We would like to organize this conference with your support to gather all the [Neurologists](#) in a single platform, hope we will be honoured with your support to organize [Alzheimer's 2020](#) in a grand level, your support will be the key of success for our next year conference. We look forward to seeing your benign presence with active contribution and support to make this event successful once more. Once again it's our pleasure to welcome you to our upcoming [Alzheimer's 2020](#) conference.
