

## Editorial Highlight for Journal of Oceanography and Marine Research

Harapriya Sahoo

Msc, Department of Microbiology, Utkal University, India

### Editorial

I am pleased to introduce Journal of Oceanography and Marine Research (JOMR) is an academic journal providing an opportunity to researchers and scientist to explore the advanced and latest research developments in the field of Oceanography and Marine Research. I am pleased to announce that, all issues of volume 7 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The journal aims to publish the most complete and reliable source of information on the advanced and very latest research topics related to the recent advancements in Marine Environment, Marine Microbiology, Marine Ecosystem, Coastal Zone Management, Fishery Economics, and Marine Pollution.

All published articles of this journal are included in the indexing and abstracting coverage of Google Scholar, Index Copernicus, Open J Gate, JournalTOCs, Cosmos IF, RefSeek, Hamdard University, EBSCO A-Z, and Publons.

During the calendar year of 2019, JOMR received a total of 24 manuscript, out of which 2 articles (20%) were rejected in the

preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 12 articles were subjected for publication after they are accepted in the peer review process. In the 2 issues of Volume 7 published during the year 2019, a total of 2 articles were published (at an average of 2 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of three Editors, ten reviewers joined the board of JOMR and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the journal.

I take this opportunity to acknowledge the contribution of (Dr. Anake Kijjoa) during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of JOMR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JOMR, the office bearers for their support in bringing out yet another volume of JOMR and look forward to their unrelenting support to bring out the Volume 8 of JOMR in scheduled time.
