

## Frontiers in Catalysis and Chemical Engineering Mar 23-24, 2020 Amsterdam, Netherlands

Jacob Moulijn

[Longdom Conferences](#) has taken an initiative to felicitate attendees with awards to recognize, celebrate and encourage achievement in its various conferences and events. We salute and recognize accomplishment inside an industry that is ceaselessly developing and re-drawing the limits of best practice. These honors speak to the apex of expert accomplishment for occasion experts. To win an [award](#) you will have been endorsed by our illustrious panel of the foremost industry professionals which is a sure-fire signifier of your formidable credentials.

**Outstanding Speaker in Euro Catalysis 2020:** This award recognises academic and business speakers for their excellent presentation skills and for the significant contribution that they make to their professions, their teams and their patients through their practice, leadership or research endeavour. Recipient of this award will be chosen by the session chair and co-chair. The awardee will be felicitated after the completion of oral session. Our Thesis work presentation in [Catalysis and Chemical Engineering conferences](#) encourage researchers from across the globe to take part as a speaker at these prestigious events.

**Best Keynote Speaker Euro Catalysis 2020:** This award recognises the notable presentations given during the course of the event. It also recognizes the enthusiasm and determination of the speaker to improve the experience of all who they come into contact with. The award will be given based on the impact of the presentation on the attendees of the event. We will also be taking into account the references taken from the citations of the keynote speaker. This awardee will be felicitated by one of the members of the organizing panel present during the conference.

**Best Organising Committee Member Euro Catalysis 2020:** This award seeks to recognize the continuous support provided by the Organising Committee Member of the conference. Recipient of this award will be selected by the operating committee of the event. The award will be given based on the support and cooperation provided by a member of the organizing panel from the beginning to the successful completion of the conference.

**Outstanding Masters/Ph.D./Postdoc Thesis work presentation in Euro Catalysis 2020:** This award seeks to

recognize the young brains of the current era. Recipient of this award will be selected by the judge of the Young Researchers Forum. This award will be given based on the presentation skills, impact of research and its applications for the Thesis work presentation in the Catalysis and Chemical Engineering sector. Participants pursuing Masters, Ph.D. or Post-Doctoral studies are eligible for this award. The awardee will be felicitated after the completion of all the oral presentations delivered under the Young Researchers Forum category.

**Best Poster Award Thesis work presentation in Euro Catalysis 2020:** This award recognises the best poster presentation given during the course of an event. Recipient of this award will be selected by the judge of the poster session. An award-winning poster will be evaluated on presentation content and clarity, innovativeness of approach, communication criteria and scientific aspects. It will also be based on layout, insights, analysis and results description. The awardee will be felicitated after the completion of the poster session.

The awards are given for our Thesis work presentation in Catalysis and Chemical Engineering conferences recognize the wide range of responsibilities and dedication of Thesis work presentation in Catalysis and Chemical Engineering professionals who promote the highest standards of care across the whole environmental service. Thesis work presentation in Catalysis and Chemical Engineering events make a huge contribution in maintaining and protecting the Energy.
