

## Innovations in Quantum Optics and Quantum Computing

Claude cohen-tannoudji

Young Scientist Awards at Quantum Optics 2020 for the best researches in Quantum Optics and Quantum Computing

[Longdom Conferences](#) proudly announcing [Young Researchers Awards](#) with an aim to recognize outstanding achievement and contribution of professionals and researchers in the area of medical, life sciences, physical sciences, health care and engineering.

Young Researchers Presentation is a key session at Innovations in Quantum Optics and Quantum Computing which is scheduled during March 23-24, 2020 at London, UK. [Quantum Optics 2020](#) focused on the theme "Expanding new horizons in advances of Quantum Optics and Quantum Computing".

[Cosmetology conference committee](#) will be providing a platform for all talented young researchers, investigators, Post-graduate/Master students, PhD scholars to showcase their current research and innovation.

Major scientific sessions of Quantum Optics Conference are characterization of polymer Quantum, Quantum Optics, Recent advancements in Quantum computing, Artificial intelligence and Cloud Computing, and Quantum dots and this [international conference](#) will be attracting leading researches and decision makers in their field, principal investigators, and business professionals for sharing knowledge and research globally.

### Eligibility:

Postgraduates/masters student, junior scientist, young faculty member, PhD scholar and Postdoc researchers

### Privileges:

The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

Acknowledgement as YRF Awardee

Recognition by providing certificates and memento

Recognition through website promotion and award page

Networking opportunity to coordinate with partners around the world

Publish that particular research paper for free

### Criteria:

All accepted abstracts will automatically be considered for the Award.

All the presentation will be evaluated at the conference venue

All the awards will be selected by the judges of the award category

The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression

### Guidelines:

All submissions must be in English

The topic must fit into scientific sessions of the conference

Each individual participant is allowed to submit maximum 2 abstracts

Abstract must be submitted online as per the given abstract template

Abstracts must be written in Times New Roman and font size will be 12

Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

### Conditions of Acceptance:

To receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and
