

## Young Researchers Forum - Young Scientist Awards ORGANIC FARM-2020

Yamini tiwari

Conference Series LLC LTD is organizing "International Conference on Agro Ecology and Organic Farming" which is going to be held in the month of August 26-27, 2020 at Osaka, Japan. The Theme of the conference is "Explore the latest inventions and research in food and [nutrition science](#)". The conference offers Prestigious Award for Young Research's at ORGANIC FARM 2020 Gathering to discuss Advances in Agro Ecology and Organic Farming.

[ORGANIC FARM](#) 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: ORGANIC FARM 2020. This ORGANIC FARM 2020 Young Scientist Awards will be announced at the upcoming "International Conference on Agro Ecology and Organic Farming" at Osaka, Japan on August 26-27, 2020.

This [ORGANIC FARM](#) 2020 is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at ORGANIC FARM 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

ORGANIC FARM 2020 Conference will be an investigation of new research Innovation in the field of Agro Ecology and Organic Farming the most recent advancements in Plant Breeding. Discussion on new technology advancement in the field of Plant Science and Agrochemical, Plant tissue culture, Pesticides and Fertilizers, Agroecology, Organic farming, Crop protection, Greenhouse & Horticulture, Food science, Food technology, Agricultural Biotechnology, Plant Nursery, Plant science and more. Detecting Organic and other Plant Science conditions, involves a team of Agro Ecology professionals, of which the Plant Science technologist is a key player. The market is mainly driven by the increasing research funding for Plant Science from governments and private investors, growing demand for personalized Organic in the U.S. and Europe, and the increasing need for toxicology testing.

Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in Plant Science. This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in Plant, [Crop protection](#), [Greenhouse & Horticulture](#) and in different fields of Organic farming by receiving name recognition at this 2-days event. World-eminent speakers, most recent researches, latest treatment techniques and the advanced updates in Plant science are the principal features

### Past Conference Report

The "4th International Conference on [Plant Science & Physiology](#)" hosted by conference series with the theme, "Modern Exploration Technologies in Plant Researches" was successfully executed during March 25-26, 2019 in Sydney, Australia. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of Plant Science and Physiology.

Eligibility Criteria for Young Scientist Awards: ORGANIC FARM 2020:

The ORGANIC FARM 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

Judging Criteria.

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the ORGANIC FARM 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the ORGANIC FARM 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to [agroecology@asia-meetings.com](mailto:agroecology@asia-meetings.com) along with the online application at the ORGANIC FARM 2020 Award page.

**Presentation:**

This award will be presented at Sydney, Australia during ORGANIC FARM 2020 conference.

About Hosting Organization: Conference Series:

Conference Series LLC LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+

Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

Supporting Journals:

- Research & Reviews: Journal of Agriculture and Allied Sciences
- Research & Reviews: Journal of Food and Dairy Technology
- Journal of Plant Sciences and Agricultural Research
